WHAT IS MEMBERSHIP CAMPING ABOUT?

- Membership camping is exciting and very similar to joining a country club. A minimal annual fee and you have the right to use the facilities. In our case, the facilities are a waterfront campground community whereby you could bring your RV and camp. If you do not own an RV, you have the option to rent a rental unit for your stay.
- Membership camping is designed for those who enjoy flexible camping. The members are not restricted to only camp in one place, and you can come as often as you like.
- Membership Camping differs from Seasonal Camping. Our Membership Camping offers our members the availability to move their RV's and limit their stay. Our Seasonal Camping members stay longer, purchase larger RV's, and towing is no longer feasible.
- Being a Member of Leisure Point, you have the option to join Camp Coast to Coast, which is a wonderful network of over 400 campgrounds nationwide, and each member can utilize their faculties.
- Considerable thought should be given to your present and future desires. Please feel free to ask questions of our current Seasonal Camping and Membership Camping Members.
- As always, the Leisure Point Staff is here to answer any and all of your questions.

BECOMING A MEMBER

- Leisure Point requires a Membership Application to be completed by each Member. The application fee per person is \$40.00.
- As a New Member, a membership card will be issued to you for use each time you visit the park.
- Each member pays an annual maintenance due to the park. The annual maintenance is billed June 1st and due July 1st of each year.

- **Who in my family does my membership include?**

It includes husband, wife and single children living at home.

- **How long may I stay at a resort?**

Members are allowed to stay at the resort for up to ten (10) consecutive days. Members shall then wait for a period of ten (10) days before re-entering Leisure Point Resort. The purpose of this rule is to discourage any type of permanent residence at Leisure Point Resort. This would work against the general interest of the membership. (Consecutive Days start after a member has stayed for 3 or more days, and the 10-day rule applies).

- **How often am I permitted to go camping at a resort?**

Camp as often as you like within the requirements of the membership rules and guidelines.

- **What are the “rules and guidelines”?**

Members are responsible for their guests and should acquaint them with the resort guidelines and rules of conduct.

- **May I bring an overnight guest to the resort?**

Yes. Each member is allowed to bring guests coming into the resort in the Member's own R.V. without charge. A member may also bring a guest who occupies a second site for a fee of \$59.95 per day (2011 rate). It is mandatory to check with our reservations department in order to insure site availability. No guest may camp without the Member present, and the Member is responsible for the conduct of the guest. It is Leisure Point's policy that Members' needs always receive first consideration. Therefore, an overnight guest who occupies a second site is not allowed on holidays or three-day weekends.

Yes. Leisure Point dues defray operational expense of the resorts, such as electricity, security, staff, swimming pools, insurance, taxes, etc.

- **May I sell or transfer my membership?**

Yes. A Leisure Point membership can be transferred three (3) times, unless it is a one-time membership. The selling price cannot exceed the original initiation price plus cost of transfer. (Transfer fee will be 3% of the original price of the membership and will be payable to Leisure Point.) The membership expires upon the death of its fourth owner (third transferee).
